

SARAH JOHNSON

Sarah Johnson infuses passion, heart, and a lifetime of creative experience into each painting. Her radial series exhibit both uninhibited freedom and methodical technique. Through colors, textures, and movement, Johnson's acrylic paintings on canvas radiate joy with pleasing repetition and form.

Johnson says about her work: *I believe things that you bring into your home make a difference in the way you live and feel. My artwork is inspired by joy, purpose, and freedom. I hope my paintings are a source of inspiration for you and everyone who enters your home.*

Each series has a meaningful message, adding both truth and beauty to your walls. Johnson is based in Dallas, Texas and is also a recording musician. Sarah has been a professional artist for 10 years and is collected internationally.
